Take turns rolling the dice. Everytime you roll one of the above combinations, put a candy or marker on the corresponding number. Your goal is to fill in “2026”.

If you roll 2 of any number, it's a wild, and you can place it on any open space.

But be careful! If you roll a 7, you clear your board and start over.

First person to fill in the “2026” wins!
